## FREEDOM TO CHOOSE

Welcome to The Church at Las Vegas! We are thankful that you have chosen to assemble with us this Lord's Day. We believe that each person should serve as an encouragement to each other as we worship our awesome God together!

If this is your first-time with us, we would ask you to please fill out a guest card and place it in the offering basket as it is passed. If you have any questions, please ask to be directed to either of the preachers. We hope that you will be blessed by your time here today and that the name of Jesus will be glorified!

On this day in 1799, Dr. Jedediah Morse, minister and "the father of American geography," assessed the decision the country faced -- and still faces, over two centuries later: "To the kindly influence of Christianity we owe that degree of civil freedom and political and social happiness which mankind now enjoys. In proportion as the genuine effects of Christianity are diminished in any nation, either through unbelief, or the corruptions of its doctrines, or the neglect of its institutions; in the same proportion will the people of that nation recede from the blessings of genuine freedom, and approximate the miseries of complete despotism.

#### FOOD CLOSET:

If you know of someone that could use a bag of food please talk with Rich or Joan Martin. Our food closet is very well stocked right now and we need to be sharing it with those that are less fortunate. This can be used as an opportunity to talk to them about the church as well as meeting their physical needs!
