Welcome to The Church at Las Vegas. We are so very pleased to see you here this morning and to share this Lord's Day with you. Each and every person in the body of Christ is important and we should all strive to attend each planned assembly of the church. To the members of our congregation, we'd like to thank you for your ongoing dedication, for it is an encouragement to your brothers and sisters in Christ. And to our visitors, we take special pleasure in welcoming you and inviting you to come again. We trust that you will be blessed by your attendance here today and encouraged in your walk with Christ.

If you are a first-time visitor, please fill out a guest card and place it in the offering basket as it is passed. Thank you.

FOOD CLOSET:

We are running very short on pretty much everything since we had such a demand through the holidays. We would appreciate it if we could all find some canned goods, pasta, bread, crackers, peanut butter and jelly, tuna, etc. to contribute to the food closet. Thank you in advance for your generosity!

HOW POOR WE ARE!

One day a father of a very wealthy family took his son on a trip to the country with the firm purpose of showing him how poor people live. They spent a couple of days and nights on the farm of what many would consider a very poor family. On their return from the trip, the father asked his son, "How was the trip?"

"It was great, Dad."

"Did you see how poor people live?" the father asked.

"Oh yeah," said the son.

"So, tell me, what did you learn from the trip?" asked the father.

The son answered: "I saw that we have one dog and they had four. We have a pool that reaches to the middle of our garden and they have a creek that has no end. We have imported lanterns in our garden and they have the stars at night. Our patio reaches to the front yard and they have the whole horizon. We have a small piece of land to live on and they have fields that go beyond our sight. We have servants who serve us, but they serve others. We buy our food, but they grow theirs. We have walls around our property to protect us, they have friends to protect them."

The boy's father was speechless. Then his son added, "Thanks, Dad, for showing me how poor we are."

Isn't perspective a wonderful thing? Makes you wonder what would happen if we all gave thanks for everything we have, instead of worrying about what we don't have.
