Welcome to The Church at Las Vegas. We are excited to see everyone here and to share this Lord's Day with you. Each and every person in the body of Christ is important and should strive to attend each planned assembly of the church. Coming together as a body is such a vital part of the Christian life for many reasons, among which include that it serves as a beacon of light for others and a statement of belief to the world.

If you are a first-time visitor, we would ask you to please fill out a guest card and place it in the offering basket as it is passed. Thank you and we hope you'll come again.

SHOW ME LOVE!

Show me a church where there is love, and I will show you a church that is a power in the community. In Chicago a few years ago a young man attended a Sunday school. When his parents moved to another part of the city the young man still attended the same Sunday school, although it meant a long, tiresome walk each way. A friend asked him why he went so far, and told him that there were plenty of others just as good nearer his home.

"They may be as good for others, but not for me," was his reply.

"Why not?" she asked.

"Because they love a fellow over there," he replied.

If only we could make the world believe that we loved them there would be fewer empty churches, and a smaller proportion of our population who never darken a church door. Let love replace duty in our church relations, and the world will soon be evangelized.
