

We'd like to welcome you this morning to The Church at Las Vegas! If this is your first time with us, whether you are visiting from another place, or right here from Las Vegas we hope you feel right at home. We're glad you're our guest and would you please fill out a guest card and place it in the offering basket as it is passed this morning so may acknowledge your presence.

Our goals this morning are to worship and praise God, remember our Lord and Savior Jesus during the Lord's Supper, listen to God's Word, and then go out and live for His glory this week!

While serving as a missionary in Laos, I discovered an illustration of the kingdom of God. Before the colonialists imposed national boundaries, the kings of Laos and Vietnam reached an agreement on taxation in the border areas. Those who ate short-grain rice, built their houses on stilts, and decorated them with Indian-style serpents were considered Laotians. On the other hand, those who ate long-grain rice, built their houses on the ground, and decorated them with Chinese-style dragons were considered Vietnamese. The exact location of a person's home was not what determined his or her nationality. Instead, each person belonged to the kingdom whose cultural values he or she exhibited. So it is with us, we live in the world, but as part of God's kingdom, we are to live according to His kingdom's standards and values.

FOOD CLOSET:

If you know someone who could use a bag of groceries, speak with Rich or Joan Martin so they can get you a bag from the food closet. Let's use this as a way to reach out to people and let them know that we care about them. This could be a seed planting opportunity, as we discussed on Wednesday night!
